

Dennis and Linda Lickey started Denny's Electric, Inc. in 1978 in Truckee, California. Together they grew to a twenty employee company specializing in custom residential, commercial, service work, design build, light industrial and high voltage work.

Their son, Joe, joined Dennis and Linda in 1985, continuing until Dennis and Linda decided to relocate back to Sonoma County in 1994. Joe then went on to work for one of the largest electrical firms in Reno, Nevada, initially as a foreman, then as a project manager. He was employed there for four years until he also elected to relocate back to Sonoma County and re-join the family business in January 1998.

Denny's Electric specializes in both Commercial and Residential new construction and remodels as well as whole house Audio, Video and Generators. Small underground projects included with the ability to set power poles.
